Private Debt & Income Fund, a closed-end, non-diversified, management investment company organized as a Delaware statutory trust (the "Fund"), is offering to purchase shares of the Fund ("Shares") from shareholders of the Fund ("Shareholders") for cash on the terms and conditions set out in this "Offer to Purchase" and the related "Letter of Transmittal," which, together, constitute the "Offer." (As used in this Offer, the term "Shares" will refer to the Class I shares of beneficial interest of ownership in the Fund.) Specifically, the Fund is offering to purchase Shares, pursuant to tenders by Shareholders, in an amount up to 5% of the net assets of the Fund, calculated as of the Prior NAV Calculation Date, and each Share tendered for purchase will be purchased at a price equal to the net asset value per Share as of the Valuation Date. (Net asset value per Share is equal to (a) the difference between the value of the Fund's assets and the value of the Fund's liabilities, *divided by* (b) the number of Shares outstanding.) Shareholders desiring to tender Shares for purchase must do so by 12:00 midnight, Eastern time, on the Notice Date (or, in the event of any extension of the Offer, by 12:00 midnight, Eastern time, on the latest applicable Notice Date). Shareholders have the right to change their minds and withdraw any tenders of their Shares until 12:00 midnight, Eastern time, on the Expiration Date (or, in the event of any extension

of the Offer, by 12:00 midnight, Eastern time, on the latest applicable Expiration Date). If the Fund elects to extend the tender period, the net asset value, and, hence, the purchase amount, of the tendered Shares will be determined at the close of business on the last business day of the month immediately following the month in which the Expiration Date occurs. This Offer is being made to all Shareholders and is not conditioned on any minimum amount of Shares being tendered, but this Offer is subject to certain conditions described below. Shares are not traded on any established trading market and are subject to strict restrictions on transferability pursuant to the Fund's Amended and Restated Declaration of Trust dated as of January 23, 2025 (as it may be amended, modified, or otherwise supplemented from time to time, the "Declaration of Trust").

Shareholders should realize that the value of the Shares tendered in this Offer likely will change between the Prior NAV Calculation Date and the Valuation Date. Each Shareholder tendering Shares should also note that, with respect to the Shares tendered and accepted for purchase by the Fund, such Shareholder will remain a Shareholder in the Fund through the Valuation Date, as of which the net asset value of its Shares is calculated. Any tendering Shareholder wishing to obtain the estimated net asset value of its Shares should contact the Fund at 225 Pictoria Dr., Suite 450, Cincinnati, OH 45246 or one of the Fund's dedicated account representatives at (833) 880-2594, Monday through Friday (except holidays), from 7:30 a.m. to 5:00 p.m., Eastern time.

Shareholders desiring to tender Shares in accordance with the terms of the Offer should complete and sign the attached Letter of Transmittal and send or deliver it to the Fund in the manner set out below.

Important

None of the Fund, Brighton Jones, LLC (in its capacity as the Fund's investment adviser, the "Adviser"), and the Fund's Board of Trustees (the "Board of Trustees") makes any recommendation to any Shareholder as to whether to tender, or refrain from tendering, Shares. Each Shareholder must make its own decision whether to tender Shares and, if it chooses to do so, how many Shares to tender.

Because each Shareholder's investment decision is a personal one, based on its own financial circumstances, no person has been authorized to make any recommendation on behalf of the Fund as to whether any Shareholder should tender Shares pursuant to the Offer. No person has been authorized to give any information, or to make any representations, in connection with the Offer other than those contained herein or in the Letter of Transmittal. If given or made, such recommendation and such information and representations must not be relied on as having been authorized by the Fund.

This transaction has not been approved or disapproved by the Securities and Exchange Commission, nor has the Securities and Exchange Commission or any state securities commission passed on the fairness or merits of such transaction or on the accuracy or adequacy of the information contained in this document. 1. SUMMARY TERM SHEET.

This Summary Term Sheet highlights certain information concerning this Offer. For a full understanding of the Offer and for a more complete discussion of the terms and conditions of the Offer, please read carefully this entire Offer to Purchase and the related Letter of Transmittal. Section references are to this Offer to Purchase.

- The Fund (referred to as “we” or the “Fund” in this Summary Term Sheet) is offering to purchase Shares in an amount up to 5% of the net assets of the Fund calculated as of the Prior NAV Calculation Date. We will purchase each Share you tender for purchase at its net asset value (that is, (a) the difference between the value of the Fund’s assets and the value of the Fund’s liabilities, *divided by* (b) the number of outstanding Shares) calculated as of the Valuation Date. If you desire to tender Shares for purchase, you must do so by 12:00 midnight, Eastern time, on the Notice Date (or, if the Offer is extended, by 12:00 midnight, Eastern time, on the latest applicable Notice Date). You have the right to change your mind and withdraw any tenders of your Shares until 12:00 midnight, Eastern time, on the Expiration Date (or, if the Offer is extended, until 12:00 midnight, Eastern time, on the latest applicable Expiration Date). The net asset value of Shares will be calculated for this purpose as of the Valuation Date.
- The Fund reserves the right to extend the Offer, adjusting as necessary the Notice Date, the Expiration Date, and the Valuation Date.
- You may tender some or all of your Class I Shares.
- If we accept the tender of any of your Shares, we will pay you the proceeds from one or more of the following sources: cash on hand, withdrawals of capital from the investment funds in which the Fund invests, the proceeds of the sale of portfolio securities held by the Fund, or borrowings. See Section 7.
- Shareholders desiring to tender Shares for purchase by the Fund should keep in mind that the Fund reserves the right to repurchase *all* of a Shareholder’s Shares at any time if the aggregate value of such Shareholder’s Shares is, at the time of such compulsory repurchase, less than the minimum initial investment applicable for the Fund. This right of the Fund to repurchase Shares compulsorily may be a factor that Shareholders may wish to consider when determining the extent of any tender for purchase by the Fund.
- Following this Summary Term Sheet is a formal notice of the Offer to Purchase your Shares. If you desire to tender Shares for purchase, you must do so by 12:00 midnight, Eastern time, on the Notice Date (or, if the Offer is extended, by 12:00 midnight, Eastern time, on the latest applicable Notice Date). You have the right to change your mind and withdraw any tenders of your Shares until 12:00 midnight Eastern time, on the Expiration Date (or, if the Offer is extended, until 12:00 midnight, Eastern time, on any later Expiration Date). Shares withdrawn may be re-tendered, however, *provided that* such tenders are made before the Notice Date by following the tender procedures described herein. If the Fund has not yet accepted your tender of Shares on or before the Acceptance Date, you will also have the right to withdraw the tender of your Shares after such date. See Section 6.

- If you would like the Fund to purchase any of your Shares, you should complete, sign, and either (i) mail (via certified mail, return receipt requested) or otherwise deliver the Letter of Transmittal, enclosed with our Offer, to the Fund at either of the following addresses:

or (ii) send it to the Fund via email at PDIFund@ultimusfundsolutions.com, so that it is received before 12:00 midnight, Eastern time, on the Notice Date. See Section 5. The value of your Shares may change between the Prior NAV Calculation Date and the Valuation Date, and such change may be material. It is possible that during the time period between the Prior NAV Calculation Date and the Valuation Date, general economic and market conditions, or specific events affecting one or more of the Fund's underlying investments, could cause a decline in the value of Shares in the Fund. See Section 3.

- As of the close of business on September 30, 2025, the aggregate net asset value of the Fund was \$222,914,099.94 and the net asset value per Share of the Fund was \$25.25. If you would like to obtain the estimated net asset value of your Shares, you may contact one of our dedicated account representatives at (833) 880-2594 or at the address listed on the cover page to this Offer to Purchase. See Section 3.

2. BACKGROUND AND PURPOSE OF THE OFFER.

As contemplated by, and in accordance with, the procedures set out in the Fund's Prospectus dated April 10, 2025 (as it may be amended, modified, or otherwise supplemented from time to time, the "Prospectus"), the purpose of this Offer is to provide liquidity to Shareholders. The Prospectus which was provided to each Shareholder in advance of subscribing for Shares provides that the Board of Trustees has the discretion to determine whether the Fund will purchase Shares from time to time from Shareholders pursuant to written tenders. The Fund expects that the Board of Trustees will authorize the Fund to purchase Shares from Shareholders quarterly, on March 31, June 30, September 30 and December 31 each year.

Because there is no secondary trading market for Shares and transfers of Shares are prohibited except under certain limited circumstances, with the written consent of the Fund, the Board of Trustees has determined to cause the Fund to make this Offer, after consideration of various matters, including without limitation those set out in the Prospectus and the recommendations of the Adviser. The Adviser intends to recommend to the Board of Trustees that the Fund offer to purchase Shares on a quarterly basis each year, but the Board of Trustees may determine not to accept such recommendations from time to time.

The purchase of Shares pursuant to the Offer will have the effect of increasing the proportionate interest in the Fund of Shareholders not tendering Shares. Shareholders retaining their Shares may be subject to increased risks that may possibly result from the reduction in the Fund's

aggregate assets due to the Fund's payment for the Shares tendered. These risks include the potential for greater volatility due to decreased diversification. The Fund believes that this result is unlikely, however, given the nature of the Fund's investment program. A reduction in the aggregate assets of the Fund may result in those Shareholders not tendering Shares bearing higher costs to the extent that certain relatively fixed expenses borne by the Fund may not decrease if assets decline. These effects may be reduced or eliminated to the extent that additional subscriptions for Shares are made by new and existing Shareholders from time to time. Payment for any Shares purchased pursuant to this Offer may also require the Fund to liquidate portfolio holdings earlier than the Adviser would otherwise have caused these holdings to be liquidated, potentially resulting in losses or increased investment-related expenses.

Shares tendered to the Fund in connection with the Offer will be retired, although the Fund offers Shares in a continuous public offering, conducted pursuant to an effective Registration Statement under the Securities Act of 1933, as amended, in accordance with the Prospectus. Shares may be purchased as of the first business day of each calendar month at the Fund's then current net asset value per Share.

The tender of Shares by a Shareholder will not affect the record ownership of such Shareholder for purposes of voting or entitlement to any distributions payable by the Fund unless and until such Shares are purchased. You should also realize that the Offer is set to expire on the Expiration Date (or, if the Offer is extended, the latest applicable Expiration Date) and that, if you desire to tender Shares for purchase, you must do so by the Notice Date (or, if the Offer is extended, by the latest applicable Notice Date). With respect to the Shares you are tendering which are accepted for purchase by the Fund, you remain a Shareholder of the Fund through the Valuation Date, when the net asset value of your Shares is calculated.

3. OFFER TO PURCHASE AND PRICE.

The Fund will, on the terms, and subject to the conditions, of the Offer, purchase an amount of Shares up to 5% of the Fund's net assets calculated as of the Prior NAV Calculation Date, tendered by Shareholders, by 12:00 midnight, Eastern time, on the Notice Date (or, if the Offer is extended, by 12:00 midnight, Eastern time, on the latest applicable Notice Date), and not withdrawn (as provided in Section 6 below) before 12:00 midnight, Eastern time, on the Expiration Date (or, if the Offer is extended, before 12:00 midnight, Eastern time, on the latest applicable Expiration Date). The Fund reserves the right to extend, amend, or cancel the Offer as described in Sections 4 and 8 below. The value of each Share tendered for purchase will be the net asset value per Share as of the Valuation Date, payable as set out in Section 7.

4. AMOUNT OF TENDER.

Subject to the limitations set out below, Shareholders may tender some or all of their Shares. Each Shareholder tendering less than all of its Shares should keep in mind that the Fund reserves the right to repurchase *all* of a Shareholder's Shares at any time if the aggregate value of such Shareholder's Shares is, at the time of such compulsory repurchase, less than the minimum initial investment applicable for the Fund. (This right of the Fund to repurchase Shares compulsorily may be a factor that Shareholders may wish to consider when determining the extent of any tender

for purchase by the Fund). The Offer is being made to all Shareholders of the Fund and is not conditioned on any minimum amount of Shares being tendered.

If the amount of Shares properly tendered pursuant to the Offer and not withdrawn pursuant to Section 6 below is less than or equal to 5% of the Fund's net assets (or such greater amount as the Fund may elect to purchase pursuant to the Offer), the Fund will, on the terms, and subject to the conditions, of the Offer, purchase all of the Shares so tendered unless the Fund elects to cancel or amend the Offer or to postpone acceptance of tenders made pursuant to the Offer, as provided in Section 8 below. If Shares in excess of 5% of the Fund's net assets are duly tendered to the Fund before the Notice Date and not withdrawn before the Expiration Date pursuant to Section 6 below, the Fund, in its sole discretion, may do any of the following: (a) accept the additional Shares permitted to be accepted pursuant to Rule 13e-4(f)(1) under the Securities Exchange Act of 1934, as amended (the "1934 Act"); (b) accept all Shares tendered for repurchase by shareholders who own less than one hundred Shares and who tender all of their Shares, before prorating other amounts tendered; (c) extend the Offer, if necessary, and increase the amount of Shares that the Fund is offering to purchase to an amount it believes sufficient to accommodate the excess Shares tendered as well as any Shares tendered on or before the specified Notice Date in such extension of the Offer; and (d) accept Shares tendered before the Notice Date and not withdrawn before the Expiration Date for payment on a *pro rata* basis based on the aggregate net asset value of the Shares tendered by each Shareholder. The Offer may be extended, amended, or canceled in various other circumstances described in Section 8 below.

5. PROCEDURE FOR TENDERS.

Shareholders wishing to tender Shares pursuant to this Offer to Purchase should send or deliver by the Notice Date (or, if the Offer is extended, by the latest applicable Notice Date) a completed and executed Letter of Transmittal to the Fund, at the address set out on the first page of the Letter of Transmittal, or email a completed and executed Letter of Transmittal to the Fund, at the email address set out on the first page of the Letter of Transmittal. The completed and executed Letter of Transmittal must be received by the Fund, either by mail or by email, no later than 12:00 midnight, Eastern time, on Notice Date (or, if the Offer is extended, no later than 12:00 midnight, Eastern time, on the latest applicable Notice Date).

The Fund recommends that all documents be submitted to the Fund by certified mail, return receipt requested, or by email. Shareholders wishing to confirm receipt of a Letter of Transmittal may contact the Fund at the address or telephone number set out on the first page of the Letter of Transmittal. The method of delivery of any documents is at the election, and complete risk, of the Shareholder tendering Shares, which may include without limitation the failure of the Fund to receive any Letter of Transmittal or other document submitted by email. All questions as to the validity, form, eligibility (including time of receipt), and acceptance of tenders will be determined by the Fund, in its sole discretion, and such determination will be final and binding. The Fund reserves the absolute right to reject any or all tenders determined by it not to be in appropriate form or the acceptance of, or payment for, which would, in the opinion of counsel for the Fund, be unlawful. The Fund also reserves the absolute right to waive any of the conditions of the Offer or any defect in any tender with respect to any particular Shares or any particular Shareholder, and the Fund's interpretation of the terms and conditions of the Offer will be final and binding. Unless waived, any defects or irregularities in connection with tenders must be cured within such time as

the Fund will determine. Tenders will not be deemed to have been made until the defects or irregularities have been cured or waived. None of the Fund, the Adviser, or the Board of Trustees will be obligated to give notice of any defects or irregularities in tenders, nor will any of them incur any liability for failure to give such notice.

If you hold your Shares of the Fund through a retirement account, please contact your representative or agent for assistance in completing the transaction documents.

6. WITHDRAWAL RIGHTS.

The Prospectus provides that a tender of Shares may be withdrawn by a Shareholder at any time before 12:00 midnight, Eastern time, on the Expiration Date (or, if the Offer is extended, before 12:00 midnight, Eastern time, on the latest applicable Expiration Date). Shares withdrawn may be re-tendered, however, *provided that* such tenders are made before the Notice Date by following the tender procedures described in Section 5. Pursuant to Rule 13e-4(f)(2)(ii) of the 1934 Act, if the Fund has not yet accepted a Shareholder's tender of Shares on or before the Acceptance Date, a Shareholder will also have the right to withdraw its tender of its Shares after such date. To be effective, any notice of withdrawal must be timely received by the Fund at the address or email address set out on the first page of the Letter of Transmittal. All questions as to the form and validity (including time of receipt) of notices of withdrawal will be determined by the Fund, in its sole discretion, and such determination will be final and binding. A tender of Shares properly withdrawn will not thereafter be deemed to be tendered for purposes of the Offer.

7. PURCHASES AND PAYMENT.

For purposes of the Offer, the Fund will be deemed to have accepted a Shareholder's tender of tendered Shares as, if, and when it gives written notice to the tendering Shareholder of its acceptance of such Shareholder's tender and purchase such Shares. As stated in Section 3 above, the amount offered for the Shares tendered by Shareholders will be the net asset value thereof as of the Valuation Date. The value of the Fund's net assets is determined as of the close of the Fund's business at the end of each month in accordance with procedures as may be determined from time to time in accordance with the valuation policies and procedures adopted by the Board of Trustees. The Fund will not pay interest on the purchase amount.

The Fund expects that full payment for all Shares repurchased will be made in cash on or before the 65th day following the Valuation Date; however, delays in the receipt by the Fund of sufficient cash amounts caused by delays in the Fund's ability to liquidate certain securities and holdings, among other reasons, could extend the payment period.

The Fund will make payment for Shares it purchases pursuant to the Offer from one or more of the following sources: (a) cash on hand; (b) the proceeds of the sale of securities and portfolio assets held by the Fund; (c) withdrawals of capital from the investment funds in which the Fund invests; and (d) possibly borrowings. None of the Fund, the Adviser, or the Board of Trustees has determined at this time to borrow funds to purchase Shares tendered in connection with the Offer. Depending on the dollar amount of Shares tendered and prevailing general economic and market conditions, however, the Fund, in its sole discretion, may decide to fund any portion of the amount offered for the purchase of Shares, subject to compliance with applicable law, through borrowings.

The Fund expects that the repayment of any amounts so borrowed will be financed from additional funds contributed to the Fund by new and existing Shareholders, from withdrawals of its capital from the investment funds in which it invests, or from the proceeds of the sale of securities held by the Fund.

8. CERTAIN CONDITIONS OF THE OFFER.

The Fund reserves the right, at any time and from time to time, to extend the period of time during which the Offer is pending by notifying Shareholders of such extension. In the event that the Fund so elects to extend the tender period, the net asset value, and, hence, the purchase amount, of the tendered Shares will be determined as of the close of business on the last day of the month following the month in which the Offer expires. During any such extension, all Shares previously tendered and not withdrawn will remain subject to the Offer. The Fund also reserves the right, at any time and from time to time up to and including the Acceptance Date: (a) to cancel the Offer in the circumstances set out in the following paragraph, and, in the event of such cancellation, not to purchase, or pay for, any Shares tendered pursuant to the Offer; (b) to amend the Offer; or (c) to postpone the acceptance of Shares. If the Fund determines to amend the Offer or to postpone the acceptance of Shares tendered, it will, to the extent necessary, extend the period of time during which the Offer is open as provided above and will promptly notify Shareholders.

The Fund may cancel the Offer, amend the Offer, or postpone the acceptance of tenders made pursuant to the Offer, if: (a) the Fund would not be able to liquidate portfolio securities in an orderly manner consistent with the Fund's investment objectives and policies in order to purchase Shares tendered pursuant to the Offer; (b) there is, in the judgment of the Board of Trustees, any (i) legal action or proceeding instituted or threatened challenging the Offer or otherwise materially adversely affecting the Fund, (ii) declaration of a banking moratorium by federal or state authorities, or suspension of payment by banks in the United States or New York State, which is material to the Fund, (iii) limitation imposed by federal or state authorities on the extension of credit by lending institutions, (iv) suspension of trading on any organized exchange or over-the-counter market where the Fund has a material investment, (v) commencement of war, armed hostilities, or other international or national calamity directly or indirectly involving the United States which is material to the Fund, (vi) material decrease in the net asset value of the Fund from the net asset value of the Fund most recently calculated as of the Commencement Date, or (vii) other event or condition which would have a material adverse effect on the Fund or its Shareholders if Shares tendered pursuant to the Offer were purchased; or (c) the Board of Trustees determines that it is not in the best interest of the Fund to purchase Shares pursuant to the Offer.

9. CERTAIN INFORMATION ABOUT THE FUND.

The Fund is registered under the Investment Company Act of 1940 (the "1940 Act") as a closed-end, non-diversified, management investment company. It was organized as a Delaware statutory trust on October 22, 2024. Subscriptions for Shares of the Fund were first accepted for investment as of May 1, 2025. The Fund's principal office is located at 2030 1st Avenue, 3rd Floor, Seattle, Washington 98121 and its telephone number is (833) 880-2594. Shares are not traded on any established trading market and are subject to strict restrictions on transferability pursuant to the Declaration of Trust.

None of the Fund, the Adviser, or the Board of Trustees has any plans or proposals that relate to, or would result in: (1) the acquisition by any person of additional Shares (other than the Fund's intended continued acceptance of subscriptions for Shares on the first business day of each calendar month and from time to time in the discretion of the Adviser) or the disposition of Shares (other than through periodic purchase offers, including this Offer); (2) an extraordinary transaction involving the Fund, such as a merger, reorganization, or liquidation; (3) any material change in the present indebtedness, capitalization, or distribution policy of the Fund; (4) any change in the present Board of Trustees or in the management of the Fund, including without limitation any change in the number or the term of members of the Board of Trustees, the filling of any existing vacancy on the Board of Trustees, or any change in any material term of the employment contract of any executive officer; (5) a purchase, sale, or transfer of a material amount of assets of the Fund (other than as the Board of Trustees determines may be necessary or appropriate to fund all or a portion of the amount offered for the purchase of Shares pursuant to the Offer or in connection with the ordinary portfolio transactions of the Fund); (6) any other material change in the Fund's corporate structure or business, including any material change in any of its investment policies, for which a vote would be required by Section 13 of the 1940 Act; or (7) any change in the Declaration of Trust or other governing instruments or any other action that could impede the acquisition of control of the Fund.

Based on the number of Shares outstanding as of September 30, 2025, the following persons (the named individuals being the Trustees) own the number of Shares indicated in the below table:

<u>Person</u>	<u>Number of Shares</u>	<u>Total Beneficial Ownership of Fund (%)</u>
Clifford Schireson	0	0%
Mary Zeven	0	0%
Carrie Schoffman	0	0%

10. INCOME TAX CONSEQUENCES.

The U.S. federal income tax discussion set forth below is a summary included for general information purposes only. In view of the individual nature of tax consequences, each Shareholder is advised to consult its own tax adviser with respect to the specific, individual tax consequences of participation in the Offer, including the effect and applicability of state, local, foreign and other tax laws and the possible effects of changes in federal or other tax laws.

The sale of Shares pursuant to the Offer will be a taxable transaction to a Shareholder for U.S. federal income tax purposes, either as a "sale or exchange," or under certain circumstances, as a "dividend." Under Section 302(b) of the Internal Revenue Code of 1986, as amended (the "Code"), a sale of Shares pursuant to the Offer generally will be treated as a "sale or exchange" if the receipt of cash by the Shareholder: (a) results in a "complete termination" of the Shareholder's interest in the Fund, (b) is "substantially disproportionate" with respect to the Shareholder, or (c) is "not essentially equivalent to a dividend" with respect to the Shareholder. A sale of Shares pursuant to the Offer generally will result in a "complete termination" of a Shareholder's interest in

the Fund if such Shareholder tenders, and the Fund repurchases, all of such Shareholder's Shares (*i.e.*, the Shareholder reduces its percentage ownership interest in the Fund to 0%). A "substantially disproportionate" distribution generally requires a reduction of at least 20% in a Shareholder's proportionate ownership interest in the Fund after all Shares are tendered. A distribution "not essentially equivalent to a dividend" requires that there be a "meaningful reduction" in the Shareholder's ownership interest in the Fund, which more likely than not would be the case if the Shareholder has a minimal interest in the Fund, exercises no control over Fund affairs and experiences a reduction in the proportionate ownership interest in the Fund.

In determining whether any of these tests has been met, Shares actually owned, as well as Shares considered to be owned by the Shareholder by reason of certain constructive ownership rules set forth in Section 318 of the Code, generally must be taken into account. If any of these three tests for "sale or exchange" treatment is met, a Shareholder will recognize gain or loss equal to the difference between the price paid by the Fund for the Shares purchased in the Offer and the Shareholder's adjusted basis in such Shares. If such Shares are held as a capital asset, the gain or loss will generally be capital gain or loss. The maximum tax rate applicable to net capital gains recognized by individuals and other non-corporate taxpayers is generally (i) the same as the applicable ordinary income rate for capital assets held for one year or less or (ii) either 15% or 20% for capital assets held for more than one year, depending on whether the individual's income exceeds certain threshold amounts.

If the requirements of Section 302(b) of the Code are not met, amounts received by a Shareholder who sells Shares pursuant to the Offer will be taxable to the Shareholder as a "dividend" to the extent of such Shareholder's allocable Share of the Fund's current or accumulated earnings and profits. To the extent that amounts received exceed such Shareholder's allocable Share of the Fund's current and accumulated earnings and profits, such excess will constitute a non-taxable return of capital (to the extent of the Shareholder's adjusted basis in its Shares), and any amounts in excess of the Shareholder's adjusted basis will constitute taxable capital gain. Any remaining adjusted basis in the Shares tendered to the Fund will be transferred to any remaining Shares held by such Shareholder. In addition, if any tendering Shareholder is deemed to have received a "dividend" as a result of the Offer, it is possible that Shareholders whose percentage ownership of the Fund increases as a result of the Offer, including shareholders who do not tender any Shares pursuant to the Offer, will be deemed to receive a constructive distribution under Section 305(c) of the Code of an amount determined by their increase in their proportionate interest in the earnings and assets of the Fund as a result of such tender. Such constructive distribution will be treated as a dividend to the extent of current or accumulated earnings and profits allocable to it. Such dividend treatment will not apply, however, if the tender is treated as an "isolated redemption" within the meaning of the Treasury regulations.

Foreign Shareholders. Any payments (including any constructive dividends) to a tendering Shareholder who is a nonresident alien individual, a foreign trust or estate or a foreign corporation that does not hold his, her or its Shares in connection with a trade or business conducted in the United States (a "Foreign Shareholder") that are treated as dividends for U.S. federal income tax purposes under the rules set forth above, will generally be subject to U.S. withholding tax at the rate of 30% (unless a reduced rate applies under an applicable tax treaty). A tendering Foreign Shareholder who realizes a capital gain on a tender of Shares will not be subject to U.S. federal income tax on such gain, unless the Shareholder is an individual who is physically present in the

United States for 183 days or more and certain other conditions exist. Such persons are advised to consult their own tax adviser. Special rules may apply in the case of Foreign Shareholders (i) that are engaged in a U.S. trade or business, (ii) that are former citizens or residents of the U.S. or (iii) that have a special status for U.S. federal tax purposes, such as “controlled foreign corporations,” corporations that accumulate earnings to avoid U.S. federal income tax, and certain foreign charitable organizations. Such persons are advised to consult their own tax adviser.

Backup Withholding. The Fund generally will be required to withhold tax at the rate of 28% (“backup withholding”) from any payment to a tendering Shareholder that is an individual (or certain other non-corporate persons) if the Shareholder fails to provide to the Fund its correct taxpayer identification number (*i.e.*, an employer identification number or social security number) or otherwise establish an exemption from the backup withholding tax rules. Therefore, each tendering U.S. resident Shareholder should furnish to the Fund a duly completed Internal Revenue Service (“IRS”) Form W-9 to avoid backup withholding, unless such U.S. resident Shareholder otherwise establishes that such U.S. resident Shareholder is not subject to backup withholding. Certain U.S. resident Shareholders (including, among others, most corporations) are not subject to these backup withholding requirements.

A Foreign Shareholder generally will be able to avoid backup withholding with respect to payments by the Fund that are treated as made in exchange for tendered Shares only if it furnishes to the Fund a duly completed applicable IRS Form W-8 (generally, an IRS Form W-8BEN, IRS Form W-8BEN-E, IRS Form W-8EXP or IRS Form W-8ECI), signed under penalty of perjury, stating that it (1) is a nonresident alien individual or a foreign corporation, partnership, estate or trust, (2) has not been and does not plan to be present in the United States for a total of 183 days or more during the calendar year, and (3) is neither engaged, nor plans to be engaged during the year, in a United States trade or business that has effectively connected gains from transactions with a broker or barter exchange. Backup withholding is not an additional tax, and any amounts withheld may be credited against a Shareholder's U.S. federal income tax liability.

FATCA Withholding. Sections 1471-1474 of the Code and the U.S. Treasury and IRS guidance issued thereunder (collectively, “FATCA”) generally require the Fund to obtain information sufficient to identify the status of each of its stockholders under FATCA or under an applicable intergovernmental agreement (an “IGA”) between the United States and a foreign government. If a Shareholder fails to provide the requested information or otherwise fails to comply with FATCA or an IGA, the Fund may be required to withhold under FATCA with respect to that Shareholder (i) at a rate of 30% on ordinary dividends it pays, and (ii) on or after January 1, 2019, 30% of certain capital gain dividends it pays, and on the gross proceeds of redemptions or exchanges of Shares. If a payment made by the Fund is subject to FATCA withholding, the Fund is required to withhold without reference to any other withholding exemption.

As the Fund cannot determine whether a payment made pursuant to the Offer will properly be characterized as an “exchange” or a “dividend” for U.S. tax purposes at the time of such payment, any payment to a tendering stockholder that is a foreign financial institution (“FFI”) or non-financial foreign entity (“NFFE”) will generally be subject to a 30% withholding tax unless (a) in the case of an FFI, the FFI reports certain direct and indirect ownership of foreign financial accounts held by U.S. persons with the FFI and (b) in the case of an NFFE, the NFFE (i) reports information relating to its “substantial U.S. owners” (within the meaning of FATCA), if any, or (ii) certifies that it has

no “substantial U.S. owners. Certain Foreign Shareholders may fall into certain exempt, excepted or deemed-compliant categories as established by the Treasury regulations, IGAs, and other guidance regarding FATCA. In order to qualify for any such exception, a Foreign Shareholder generally must provide a duly completed applicable IRS Form W-8 (generally, an IRS Form W-8BEN, IRS Form W-8BEN-E, IRS Form W-8EXP or IRS Form W-8ECI), signed under penalty of perjury and properly certifying such Foreign Shareholder’s status under FATCA, to the Fund.

Other Tax Consequences. The Fund’s purchase of Shares in the Offer may directly result in, or contribute to a subsequent, limitation on the Fund’s ability to use capital loss carryforwards to offset future capital gains. Therefore, in certain circumstances, Shareholders who remain Shareholders following completion of the Offer may incur taxes sooner or incur more taxes associated with their investment in the Fund, than they would have had the Offer not occurred.

Under Treasury regulations directed at tax shelter activity, if a Shareholder recognizes a loss of \$2 million or more in the case of an individual or other non-corporate Shareholder or \$10 million or more in the case of a corporate Shareholder, such Shareholder must file a disclosure statement on IRS Form 8886 with the IRS. Direct holders of portfolio securities are in many cases excepted from this reporting requirement, but under current guidance, shareholders of a regulated investment company (“RIC”) are not excepted. Future guidance may extend the current exception from this reporting requirement to shareholders of most or all RICs. The fact that a loss is reportable under these Treasury regulations does not affect the legal determination of whether a taxpayer’s treatment of the loss is proper. Shareholders should consult their own tax advisers concerning any possible disclosure obligation with respect to their investment in Shares.

11. MISCELLANEOUS.

The Offer is not being made to, nor will tenders be accepted from, Shareholders in any jurisdiction in which the Offer or its acceptance would not comply with the securities or other laws of such jurisdiction. The Fund is not aware of any jurisdiction in which the Offer, or tenders pursuant thereto, would not be in compliance with the laws of such jurisdiction. The Fund reserves the right, however, to exclude Shareholders from the Offer in any jurisdiction in which it is asserted that the Offer cannot lawfully be made. The Fund believes such exclusion is permissible under applicable laws and regulations, *provided that* the Fund makes a good faith effort to comply with any state law deemed applicable to the Offer.
